Learning Opportunities for Adults

Family Budgeting

Are you worried about the rising cost of living? Join us for FREE support and receive a Slow Cooker or Air Fryer!*

You will:

- Learn how help manage your money, giving you more control over your finances.
- Learn how to help your child with fun family maths activities.

Sessions are held in Family Hubs around Derby, see overleaf for your nearest one.

To sign up, pop into your local Family Hub or phone them (see overleaf).

*Course is free (fully funded) by the government's Multiply programme. Enrolment based on eligibility criteria.

One Slow Cooker or Air Fryer will be given to one household, at the end of the course, providing that the following conditions are met:

- 100% of sessions are attended
- All elements of the course are fully completed
- You have not previously received a free item from an alternative course
