Local Welcome	Celia Mellow events@local-welcome.org	Local Welcome uses the magic of food to bring communities together. You'll cook and eat a meal from scratch, with other awesome people, like you - some born in your local area, some new, some seeking sanctuary, or refugees. It's a great way to translate your values into action, make new friends, and learn delicious healthy recipes. You might start cooking with strangers, but you'll end up eating with friends. For more information go to www.localwelcome.org/get-involved	Celia Mellow on 3/9/26
