

Growing Derby's Social Economy – Social Enterprise Support Programme

In partnership with Derby City Council, Locality is delivering a Social Economy Business Support Programme to help Derby-based Social Enterprises, Community Organisations, charities, and co-operatives strengthen their business skills, grow sustainably, and increase their impact in tackling local inequalities.

What's involved?

- A tailored diagnostic to understand your organisation's strengths, challenges and growth ambitions.
- Six expert-led workshops focused on business planning, finance, impact, marketing, collaboration and investment readiness.
- One-to-one tailored support on areas such as governance, business and financial planning, and growth.
- Practical tools and resources you can continue to use beyond the programme.
- Opportunities to connect with other social enterprises and become part of Derby's growing social economy.

Who can apply?

The programme is open to incorporated social value organisations in Derby. Places are limited and applicants must be able to commit time to attend workshops and engage with support.
